Engineering Department Weekly Update
January 2, 2018
(updates in bold)

Cityworks –

- P&R training is complete
- CD is working on inputting their data then training can start
- Fire Department training is complete

Census Address Points – 95% complete

Hurricane Nate

- Starting detailed cost estimates for damages
- Damage repairs for large items pending budget
- Working on plans/specs for Lighthouse Pier
- Working on plans/specs for Ice Wharf and Oak St. pier repairs

Projects

- Amtrak rail platform grant – Continuing assisting Southern Rail Commission with grant application

- Bayview Avenue Boardwalk – Seymour Engineering awarding design contract through permitting phase

- Bellewood Subdivision – complete, final plat approval on Dec. 5th Council Agenda

- Canaan Fishing Dock Improvements – met with Seymour Wednesday Nov. 15th for project update

- Clearview Drainage – started this work, should be finished in a few weeks

- CSX Crossing Closure – NS contract awarded to begin preliminary work; MDOT MOU will be on the December 12th Council Agenda

- Dredging – Finished Canaan, working at Point Cadet; Point Cadet permit modification was received last week, Borries will finish all of Point Cadet before moving on. Bayou LaPointe DMR permit modifications was approved last week.

- Ellzey Place II – road base currently being installed

- Ellzey Place III – design contract awarded, Rumsey Engineering given ok to proceed

- Emerald Lake Subdivision (Hudson Krohn Rd.) – should be ready for final plat in 2-3 weeks

- Excursion Pier – once the dredging in this area is done, work will begin

- Fire Station No. 7 – bid plans/specs ready this week; have draft RFQ from SMPDD, alternate bid item for fire tower added to specs

- Fire Station No. 10 – Architect given the ok to proceed

- Holly Bluff & Cedar Lake Sewer – letters to homeowners for sewer connections mailed early December;

- Howard Avenue – 95% design review underway will be ready to bid next week; Cotton Fore doesn't think bricks are buried on 5th Street; adding fiber optic conduit/dark fiber to contract; going to bid the traffic signal separate;

- Lighthouse Parking Lot - Hwy 90 curb work complete,

- Jordan Subdivision (Old Hwy 67) – Utility installation complete; waiting for road base to set

- Kayleigh Cove Sewer – Contractor started on sidewalk

- Keesler Gate Outside – ready to begin parcel acquisition

- Keesler Gate Inside – design work approximately 90% complete; bidding still on schedule for January 2018; acquisition & relocation started

- Keesler Privatization – developing 2nd round responses; expect final decision Oct – Dec 2018

- Popps Ferry Extension – preparing maps & deeds for property acquisition; talking to Coliseum about contributing funds for project

- Pedestrian Crosswalk @ MGM – MDOT awarded project

- Pedestrian Crosswalk @ Harbor – Survey complete; working on final location due to issue with tree on south side of Hwy 90

- Point to Palace Boardwalk – working on initial layout

- Police Substation Exterior – complete; finishing punchlist

- Police Substation Interior – preparing bid documents to harden the interior, 90% complete

- Public Safety Center Roof Leaks – met with Dale Partners last week, getting a proposal

- Popps Ferry Bridge Submarine Cable – Bids being tabulated by DE, apparent lowest bidder KR Borries at $1.1M

- Popps Ferry Bridge & Approaches – adding funding back to budget for this year to keep project moving forward

- Popps Ferry Causeway – construction continuing; adding the following work – sidewalk to Cambridge Drive, additional solar lights, fishing cleaning stations, bait tanks at bait shop, kayak racks at bait shop, additional educational signs and components, upgrade walking trail materials to flexipave; trying to fit in additional parking but looking like there's not enough room; any work at the boat ramp was denied because it wasn't in original scope and there are not permits covering that area

- Post Office Build-out – Finalizing layout for empty space for IS and training facility; need ok on floor plan; then will start preparing plans to go out to bid

- Reunion Place Subdivision – cutting lot lines and installing new taps for lots that were going to be townhomes but now will be single family

- Rock Creek Subdivision Phase II – contractor finishing punchlist, working toward final plat approval; contractor working on re-grading some of the properties along Sage Road to drain toward street instead of toward existing homes in rear

- Saenger Theater – Dale Partners amendment on the Dec. 1st council meeting

- Small Craft Boat Launch – Work is 90% complete

- Smith Subdivision – Saunders Const. has done clearing & grubbing but no other work; no start date at this time

- Snyder Center Roof – Met with Dale Partners two weeks ago, getting a proposal

- Tennis Court Repairs – work is complete

- Tremont (Lloyd Moon) driveway repairs – contractor will complete Lafayette Street then move to Tremont, expect work to begin before end of year

- West Biloxi Boardwalk - Award of project approved by City Council, received contract documents late last week, pre-construction meeting today at 2:30 at Engineering Department

- Wetzel Subdivision – grading lots then will be complete

- Woolmarket Master Plan – Received final draft for review; reviews will go back to NS this week

- Woolmarket Drainage – met with Corps of Engineers and DMR; going to have to minimize impact to wetlands

- Woolmarket water line – ready to bid, working out details on the electronic bid receiving today
