REMARKS: _____

ARCHITECTURAL AND HISTORICAL REVIEW COMMISSION

The purpose of the Architectural and Historical Review Commission (AHRC) is to ensure the provision of functional, safe, innovative and attractive site development compatible with the City's manmade and unique natural environment, and to protect against developments within certain more sensitive areas of the City which may degrade and or depreciate the image, beauty and character of the City. The AHRC recognizes that such adverse impacts affect the livelihood of the community in general and the surrounding neighborhoods in particular.

Regularly scheduled AHRC meetings are held at 8:30 a.m. on the second and fourth Thursday of each month, when applications have been presented for review. The applicant or interested parties may contact the Planning Division office at (228) 435-6266 subsequent to the meeting at which any final decision is made, as indicated herein, and will be advised of any action taken by the AHRC regarding a specific case.

All projects or developments involving moving or removal of a structure, demolition, exterior improvements to existing structures or any new construction located within an Architectural Review District, Historic District or Neighborhood Heritage District, as identified within the City of Biloxi's Architectural Review Ordinance, must be submitted to the Architectural and Historical Review Commission for approval. Copies of the Architectural and Historical Review Ordinance may be obtained through the Planning Division Office.

Please note that AHRC approval does not waive any permits or licenses required by the city, county or state. It is the applicant's responsibility to obtain any and all necessary permits for work performed.

APPEALS

Applicants or interested parties which are aggrieved with the decision of the ARHC have ten (10) calendar days after the AHRC takes action in which to advise the Clerk of the City Council, in writing, that they are aggrieved with the decision of the AHRC and have elected to appeal a decision of that body to the City Council. This notification will place the matter on the agenda of the City Council, as per Section 2-8-16 of the Code of Ordinances of the City of Biloxi.

TREE PERMIT

Tree permits are required before the removal or trimming of any protected tree, in accordance with the City of Biloxi's Land Development Ordinance. The Land Development Ordinance is available here <http://www.biloxi.ms.us/resources/code-of-ordinances/>.
