**BILOXI COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM**  
**AMENDMENT TO THE 2008 PROGRAM YEAR FUNDING**

Biloxi is an "entitlement city" under the Community Development Block Grant Program and, therefore, Biloxi expects to receive an additional 2008 allocation of \$153,497 in CDBG-R funds. These funds are being allocated from the American Recovery and Reinvestment Act of 2009. The receipt of these funds requires a substantial amendment to the city's Fiscal Year 2008 Annual action Plan.

Notice is hereby given that the City of Biloxi's Department of Community Development is seeking public comment for the purpose of affording citizens of Biloxi an opportunity to:

Present their views relative to a proposed amendment to funding for a 2008 CDBG-R project. The City of Biloxi is proposing to use the additional allocated funds to fund a portion of an existing project budgeted for the 2008 CDBG program- Howard Avenue Reconstruction. CDBG-R funds will be used to install storm drains, sanitary sewer lines and water line replacement. This project expects to create jobs over a 12 month period. Environmental benefits include upgrading and replacing an old substandard system.

Oral or written comments will be received for at least 7 days from the date of release of this notice and, therefore, can be submitted until 5:00 P.M. on Monday, May 25, 2009 to the Biloxi Community Development Office at 676 Martin Luther King Boulevard, Biloxi, MS 39530.
