

A message to Back Bay residents

Mayor A.J. Holloway and the Biloxi City Council

George Lawrence
William "Bill" Stallworth
Lucy Denton
Clark Griffith
Arlene Wall
Edward "Ed" Gemmill
David Fayard

As part of the city's \$355 million Restore Biloxi Infrastructure Repair Program, a major sewer, water and storm drain improvements project is coming to your area. We want you to be aware of the potential impacts to your neighborhood.

The federally funded \$9 million in construction will take place primarily along Kensington Drive, West Bayview Avenue, Tremont Drive, Luke Drive, Arlington Road, Beverly Drive, Concord Drive, Yorkshire Drive, Oaklawn Place, Donwood Place, Lafayette Street, LaSalle Street, Forrest and Porter avenues (north of LaSalle Street), Benachi Avenue (north of DeSoto Street) and DeSoto Street (from Benachi to Porter).

The project will include replacing water mains, sanitary sewer lines and storm drains as well as replacing streets, curbs and sidewalks affected by the construction. Two wastewater pump stations will be relocated and reconstructed as part of this project.

The work will begin in early May 2013 and is scheduled to be completed 545 days later, in mid-November 2014. Some lane closures will be required over the course of the work as well as periodic, short-term interruptions to water service. However, we will work to notify you about these in advance. You may see heavy equipment using the streets in and near construction zones. Any traffic detours will be clearly marked.

You can learn more about this project at an informational meeting scheduled for Thursday, April 25 at 6 p.m. at the Biloxi Visitors Center, immediately north of the Biloxi Lighthouse. Representatives from the City, HNTB (Program Manager), and the Contractor (J. Levens Builders) will be on hand to answer any questions you might have.

Once work begins, if you have any questions or issues regarding the project, the contractor's primary contact is Kyle Cassagne (228-324-0486) and field superintendent is Steve Tyson (228-669-9804). The office number for J. Levens Builders is 228-863-0303.

Please understand that when a city undertakes large improvement projects such as this, temporary inconveniences are unavoidable. We will do our best to work with you to minimize inconveniences.

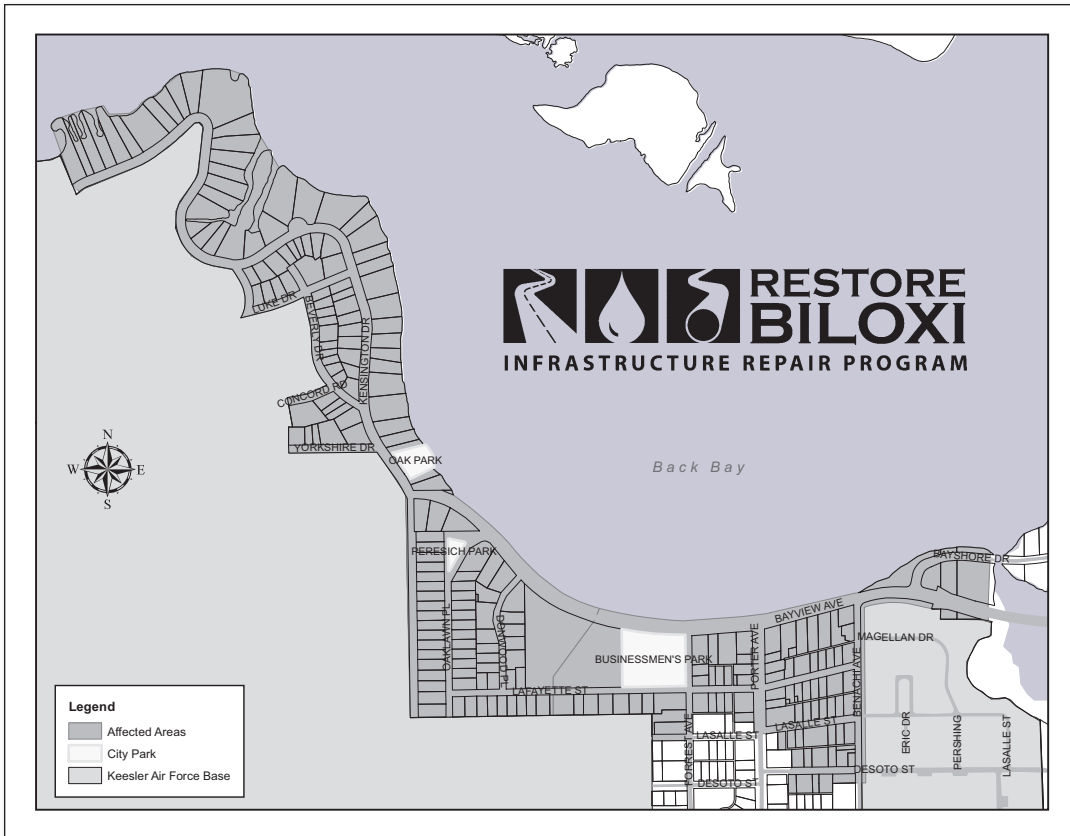

Sincerely,

A handwritten signature in blue ink that reads "A.J. Holloway".

A.J. Holloway
Mayor

A handwritten signature in blue ink that reads "Marvin G. Dalla Rosa".

Marvin G. Dalla Rosa
Program Manager, HNTB
