

BAYOU AUGUSTE RESTORATION MEETING DEC. 2ND 5:30 - 7PM

Make the bayou in your backyard a place to enjoy!

Work to restore Bayou Auguste has begun. Learn how altering some stream banks and planting native shrubs and grasses on one little bayou can make a big impact. Share your thoughts on how to include trails, pavilions, and piers in a new Bayou Auguste Greenway. Let's make Bayou Auguste a place that brings nature, recreation, and education together.

Join us at Gorenflo Elementary School 771 Elder Street, East Biloxi
