

Help make history. Join the city workforce.

How would you like to be part of a team that's making history, helping rebuild Biloxi? And you'd be able to enjoy the some of the best employee benefits you'll find anywhere.

The City of Biloxi is seeking applications from workers to perform such duties as hauling neighborhood debris and tree limbs, cutting grass, cleaning catch basins and storm drains, utility maintenance, light construction and performing other outdoor chores.

The city has 16 openings for laborers and maintenance workers, and extra consideration will be given to those with experience.

Wages begin at \$9 an hour or nearly \$19,000 a year, but that's only part of the story.

As a member of the city's team, you'll enjoy premium benefits, including:

- free family insurance coverage (hospitalization, dental and eye coverage, life insurance and prescription drug discounts)
- longevity and education bonuses
- paid vacation time and sick leave, and a dozen paid holidays each year
- state retirement savings plan
- tuition reimbursement for ongoing educational courses

Qualified applicants should have a high school diploma or GED, or an equivalent combination of education or experience. Applicants should also have a valid Mississippi Driver's License or be able to obtain one.

If you're interested, visit the city's Human Resources Division, on the third floor at Biloxi City Hall, 140 Lameuse St., weekdays, between 8 a.m. and 5 p.m.

Applications and more information can also be found online at biloxi.ms.us. Click on Employment at top of the page.

The City of Biloxi is an equal opportunity employer.
