

# Voter Information

April 2013

Residents of Biloxi:

Municipal elections are coming up in Biloxi, with party primaries on May 7 and the general election on June 4. These will be the first elections under ward lines that the City Council re-drew late last year.

This means that you may be voting in a new ward or at a new polling place, depending on where you live.

The city is distributing this Voter Information guide as part of the effort to educate residents about the upcoming elections.

Inside this guide, you will find a map showing the boundaries of the city's seven wards, and the polling places in those wards. The biggest change from previous years is that the ward lines on the peninsula show a westward shift, with Wards 1 and 2 stretching from Point Cadet to west Biloxi, and Ward 3 stretching from the central beach to the Popp's Ferry area. Ward 1 has two polling places, and Ward 2 has three polling places. All other wards have one polling place.

Registered voters will soon be receiving their new voter cards. These cards will show your voting locations for city, county, state and national elections. You may find that you vote in different locations for different elections because boundaries are different for city, county and state elections.

The fact is, if you have voted in a previous Biloxi municipal election, you should be a registered voter in Biloxi. But make no mistake: No one will be turned away on voting day. If you are a resident of Biloxi and your name cannot be found on the voter rolls when you go to vote, you may still vote, by affidavit.

Through this newsletter and other notices, the City of Biloxi is taking steps to ensure that you know when and where to vote. Meantime, if you have any questions about the upcoming elections, you can contact me by phone at (228) 435-6254, or by email at [sthacker@biloxi.ms.us](mailto:sthacker@biloxi.ms.us).

I encourage you to exercise your right to vote and become involved in the process.

Sincerely,

Stacy L. Thacker  
Municipal Clerk
