This postcard is to update you on the status of the massive infrastructure work in your neighborhood.

The contractor on the job, J. Levens Builders, is nearly 350 days into the 545-day contract. The projected end date is Dec. 26, 2014, barring any weather-related interruptions. The contractor has completed 30 percent of the work to date. Currently, the contractor is installing sewer along Forrest Avenue and water along Lafayette Street. Sewer, water, and storm drain are complete for the north end of the project. The contractor is laying rock to prepare installing curbs on the north end of the project. The two new sewage pump stations, to replace those damaged by Katrina, are also nearing completion. Once the sewer is complete on Forrest Avenue, Once the sewer is complete on Forrest Avenue, the contractor is scheduled to begin installing storm drain on LaSalle. Once the water is complete on Lafayette Street, the contractor is scheduled to begin installing water on Donwood and Benachi.

We apologize for any inconvenience that this project has caused, and we continue to work to minimize those inconveniences. Contact numbers are listed below for any issues that you have.

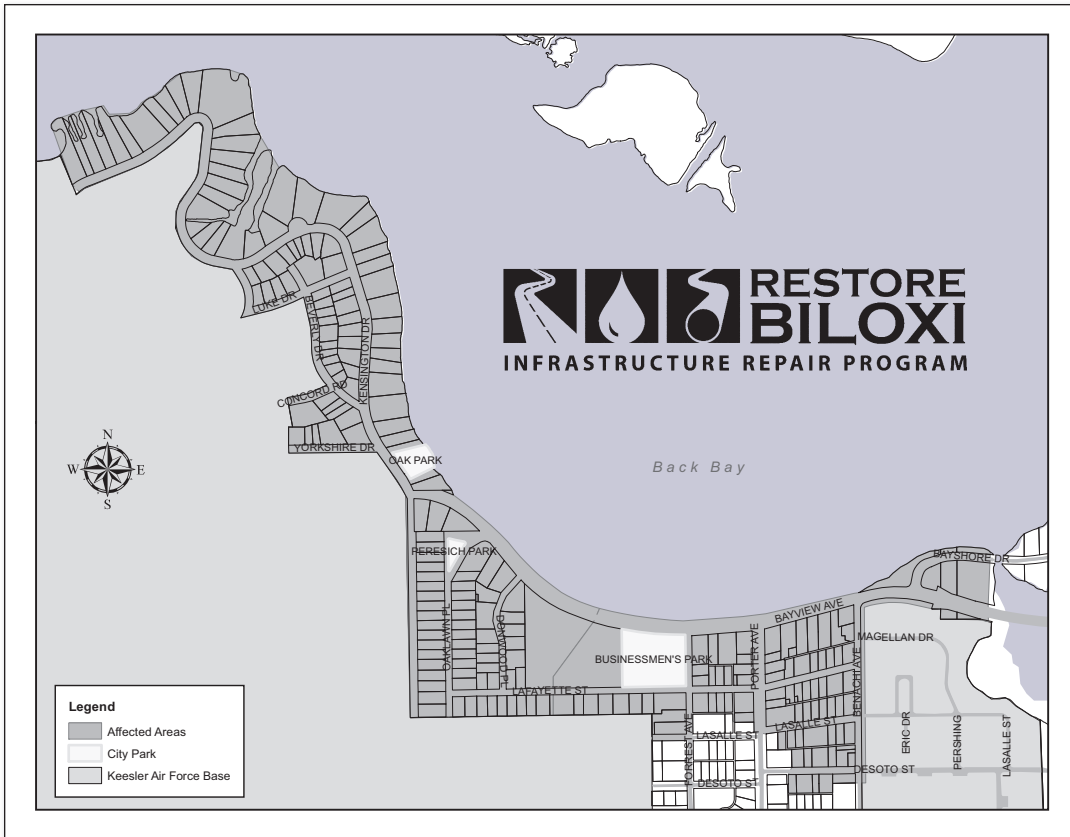

Sincerely,
