

A message to Edgewater/Balmoral area residents

Nov. 17, 2014

Mayor A.J. Holloway and the Biloxi City Council

George Lawrence
Felix Gines
Dixie Newman
Robert L. Deming III
Paul A. Tisdale
Kenny Glavan
David Fayard

The city's \$355 million Restore Biloxi Infrastructure Repair Program, part of the city's recovery from Hurricane Katrina, is a major sewer, water and storm drain improvements project, and it's coming to your area. We want to help make you aware of potential impacts to your neighborhood.

The construction, valued at over \$1.82 million, will take place primarily along Edgewater Drive (from Highway 90 to just north of Marshall Road), Marshall Road (East of Edgewater Drive) and Balmoral Avenue. The project will include the replacement of the water mains, sanitary sewer lines and storm drains as well as replacement of the streets, curbs and sidewalks impacted by the construction work.

The work will begin in early December 2014 and is scheduled to be completed 365 days later. Some lane closures will be required over the course of the work, as well as periodic short-term interruptions to water service. However, we will work to inform you about each of these in advance. You will see heavy equipment using the streets in and near construction zones. Any traffic detours will be clearly marked.

A public meeting to discuss the BEA2 – Edgewater/Balmoral Project will be held on Tuesday, Nov. 25 at the Donal M. Snyder Sr. Community Center on Pass Road. The meeting will begin at 6 p.m. Representatives from the city, HNTB (program manager), and the contractor (Necaise Brothers) will be on hand to answer any questions you might have. Please try and attend this informational meeting.

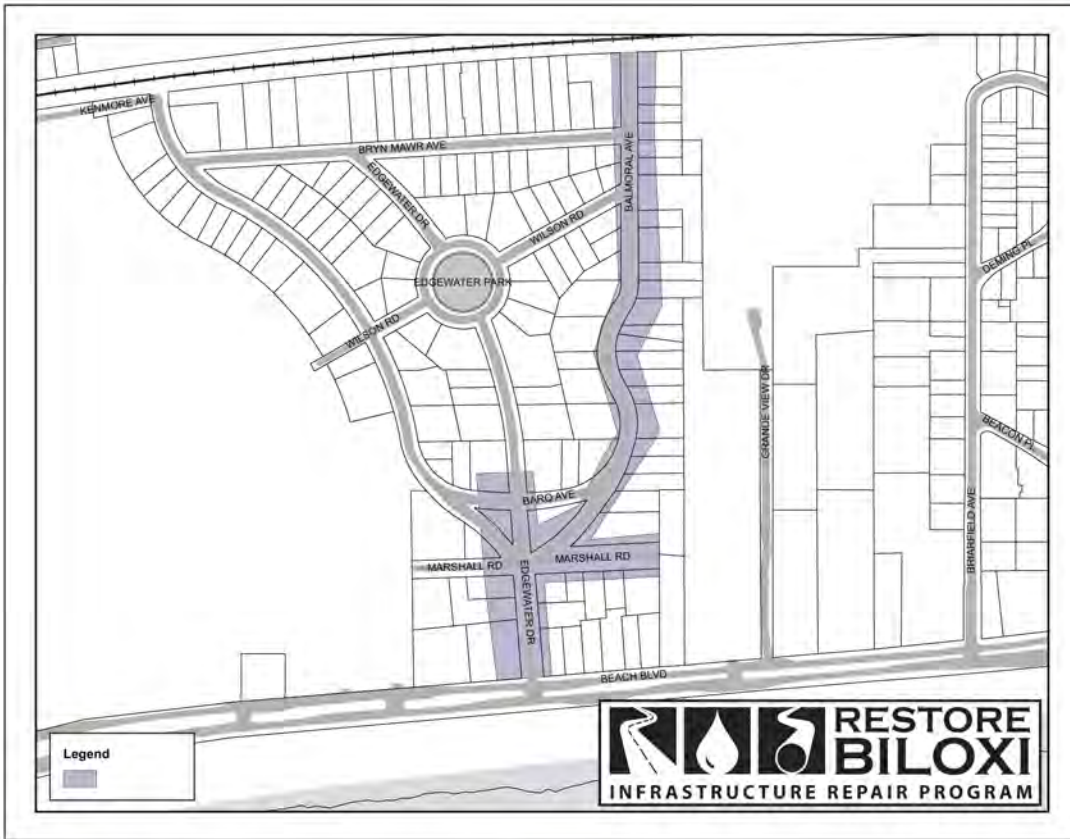

Sincerely,

A handwritten signature in black ink that reads "A.J. Holloway". The signature is written in a cursive, flowing style.

A.J. Holloway
Mayor

A handwritten signature in black ink that reads "Marvin G. Dalla Rosa". The signature is written in a cursive, flowing style.

Marvin G. Dalla Rosa
Program Manager, HNTB
