COMMUNITY DEVELOPMENT ACTIVITY REPORT FOR Sept. 18 – 24, 2017

Building permits issued	64
Construction Valuation of permits issued	\$808,000
Building inspections performed	105
Business licenses	2
Renewals	281
Charter Boats	
Peddler's licenses	
Certificates of occupancy issued	5
Code enforcement cases opened	295
Code enforcement cases resolved	139

Last week in Community Development, site work began on two new projects on Beach Boulevard: the Salt Grass Restaurant which will be located on Beach Boulevard, across from the Golden Nugget, and the Finish Line Go Cart Race Track which will be located on the former Slippery Sam's Property. A final certificate of occupancy was issued last week for the new Dunkin' Donuts on Cedar Lake Road next to Taco Bell. Also, building Permits were issued for two new single family houses, and a new metal building at 1937 Pass Road.

Several projects that are nearing completion include: Camping World at the corner of I-10 and Oaklawn Road, the South Port Line Restaurant and the addition to Southern Supply, both on Howard Avenue, also Sunbelt Lighting at I-10 and Cedar Lake Road.

Engineering Department Weekly Update
September 25, 2017

Railroad sign installation should be completed this week

Cityworks – P&R work flow has been determined and training for crews is being scheduled; FD hydrant inspection training complete; CD Admin has been trained once all their data in input will start workflow training

Census Address Points – 75% complete

Paving of Holly Hills & Carolwood pending PO approval

Debris Management Plan has been updated preparing for next council meeting

Excavation Permit – need to discuss contractor bonding

Projects (updates in bold)

- Amtrak rail platform grant – Continuing assisting Southern Rail Commission with grant application and s.
- Bent Oaks – One more section of pipe to be lined, then going to start replacing fences and sod
- **Canaan Fishing Dock Improvements** – Canaan contract will be on next Council agenda
- **Clearview Drainage** – Received PO, scheduling start date with contractor
- CSX Crossing Closure – NS contract awarded to begin preliminary work; working with MDOT to get a contract for the money we received from GRPC
- Dredging – Finished Canaan, working at Point Cadet
- Ellzey Place II – continuing with storm drain installation, water & sewer 95% done

- Ellzey Place III – design contract awarded, pending property acquisition from Ellzey
- Emerald Lake Subdivision (Hudson Krohn Rd.) – Utility installation complete; water line still to be testing; working on grading, digging pond, waiting for road base to set to install asphalt
- Excursion Pier – Pre-cast pile delivery expected within 30 days, coordinating NTP date with J.E. Borries
- Fire Station No. 7 – design 50% working out issues with the signal
- Fire Station No. 10 – design pending survey, survey pending removal of debris by Public Works
- Hiller Park Shoreline Erosion – supporting DMR in their application for a grant to install a living shoreline along Hiller Park to help with ongoing bank erosion.
- Holly Bluff – finishing punchlist
- **Howard Avenue** –working toward 50% design; getting PO for survey for maps & deeds for ROW; 4 way intersection for MLK/Howard/Dukate; need location of old bricks so we can see how many there are; design update meeting this Wednesday @3:30
- **Lighthouse Parking Lot** - NTP set for 9-19-2017, contractor has mobilized
- Jordan Subdivision (Old Hwy 78) – Utility installation complete; waiting for road base to set
- **Kayleigh Cove Sewer** – utilities complete; asphalt installed in approximately 1 week; sidewalk will need easement before construction
- Keesler Gate Outside – ready to begin parcel acquisition
- Keesler Gate Inside – design work approximately 50% complete
- **Ohr O’Keefe Fire Damage Repairs** – NTP Oct. 2nd; should have kitchen equipment recommendations from vendor this week.
- Popp’s Ferry Extension – preparing maps & deeds for property acquisition; talking to Coliseum about contributing funds for project
- Pedestrian Crosswalk @ MGM – MDOT planning to advertise end of Sept. and receive bids end of October

- Pedestrian Crosswalk @ Harbor – gave Dale Partners the ok to proceed with survey under existing contract
- Point to Palace Boardwalk – survey being finalized
- **Police Substation Fence** – under construction
- **Police Exterior** – under construction
- **Popps Ferry Bridge Submarine Cable** – received MDOT authority to advertise
- Popps Ferry Causeway – construction continuing; adding the following work – sidewalk to Cambridge Drive, additional solar lights, fishing cleaning stations, bait tanks at bait shop, kayak racks at bait shop, additional educational signs and components, upgrade walking trail materials to flexipave; trying to fit in additional parking but looking like there's not enough room; any work at the boat ramp was denied because it wasn't in original scope and there are not permits covering that area
- Rock Creek Subdivision Phase II – final walkthrough this week, still have to cut lot lines to get drainage off of adjacent properties
- **Small Craft Boat Launch** – NTP for after SKA tournament
- Snyder Center Roof – can't verify location of leaks, until then leery about getting a bid, roof may still be under warranty if Mandals can see it when its looking
- Tennis Court Repairs – Waiting for next budget year
- West Biloxi Boardwalk - Corps Permits is approved pending necessary signatures
- Wetzel Subdivision – One lot left to grade
- Woolmarket Master Plan – Expect final plan by end of October for our review
- Woolmarket Drainage – ready to start easement acquisition, started the environmental process
- Woolmarket water line – on the shelf for now
