The DRC also reviewed site plans for the Beach View Villas, a 124 unit apartment complex to be located at 2508 Beach Blvd. as well as a proposed 1200 unit market rate apartment complex to be located on Woolmarket Road, Phase II of the Ellzey Place Commercial Subdivision to be located at Popp's Ferry Road, and the new boulevard connector road next to the Wal-Mart Neighborhood Market.

Also last week, the Planning Commission voted to approve a zoning change request for property north of Beach Boulevard, which is part of Margaritaville's proposed \$140 million family entertainment expansion. This recommendation will now go before the City Council for final consideration. A decision for property south of Highway 90, that was also a part of the zoning change application, was continued until the next Planning Commission meeting.

This coming week, the DRC will review site plans for Dunkin' Doughnuts at the northwest corner of Cedar Lake Road and Popp's Ferry, a proposed Subway restaurant at 8195 Woolmarket Road, a new Waffle House at 618 Beach Boulevard, and a new parking lot for Seabreeze Condominiums on Beach Boulevard.

Sales tax revenues for the month of September totaled \$970,706.
