Community Development Update 5/2/2016

Last week in Community Development, the Architectural-Historical Review Commission approved the exterior architectural designs for the proposed La Quinta Hotel to be located at the corner of Beach Boulevard and Hopkins. The hotel will be 4 stories in height, and is designed to have 76 rooms. The new design incorporated projecting features, a metal roof, Old Chicago Brick, and historic colors to compliment the surrounding neighborhood.

Also last week, the Development Review Committee approved the site plan for the Cheeky Monkey Cake Company to be located at 266 DeBuys Road, and recommended site revisions for the proposed Fritz Construction Office to be located at 130 Croesus Street, and the Southport Line Restaurant to be located at 647 Howard Avenue. Both site plans will be revised and resubmitted to DRC for approval. The site plan for the Blind Tiger Restaurant has been revised and resubmitted, and will be reviewed again this Wednesday at DRC.

We are currently reviewing building plans for the New Athletic Field Facility Building for Biloxi High School, the Sunbelt Lighting Retail Store on Cedar Lake Road, and 4 new single family houses. Last week, the building department issued 79 building permits with a construction valuation of \$589,800. There were 6 certificates of occupancy, and 3 licenses for new businesses, issued last week. Building Inspectors performed 123 inspections, and code enforcement officers opened 336 cases and resolved 191.
