

# Status of infrastructure work -- July 28, 2018

The city has two major infrastructure projects underway at the moment, the "north contract," which is the area north of the CSX railway in east Biloxi, and a second contract covering areas south of the railway. Here are maps showing the overall areas. The succeeding pages show progress, as of July 28, 2018, for the key elements of both projects: water, sewer, drainage and paving.

The North contract work area (Oscar Renda Contracting):

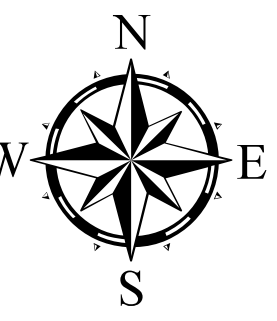

Current work south of the railway (Hemphill Construction):
