

Cruisin' The Coast 2018

Sept. 30–Oct. 7

Welcome to the City of Biloxi and another year of Cruisin'. You'll see some road construction this year on U.S. 90, but we're working with the state to make sure all lanes are open and traffic moves in a safe and orderly manner. We apologize for the inconvenience.

Here are some things to keep in mind:

- Do not block traffic. If an officer is directing traffic, follow instructions.
- Obey posted speed limits and traffic signs.
- Park only in marked areas, no parking in the median or on sidewalks. Respect private property.
- No riding on tailgates, bumpers, roofs or hoods of vehicles.
- No glass containers; no underage drinking allowed.
- No animals allowed in any event area.
- No littering.
- Amplified sound is allowed only by permit.
- For safety, only cross roadways at designated locations such as a corner or crosswalk.
- Do not obstruct boardwalks or sidewalks; pedestrians only.
- Do not move or go around officially placed barricades.
- All service drives on U.S. 90 close at 10 p.m. unless posted otherwise. Vehicles not removed are subject to being towed.
- A helmet must be worn by all operators and passengers on a motorcycle.
- ATVs, golf carts, or any other unlicensed vehicle are not allowed on the roadway, on the beach, or on sidewalks or boardwalks.
- No drones, unless approved by FAA.

We've earned a reputation as the "Playground of the South" and we're asking you to help us keep it a safe playground for everyone.

So keep your cool, keep it clean and keep it respectful.

The traffic plan

Cruisers will notice a couple of new things this year. First, there's the road construction. The Mississippi Department of Transportation is in the midst of resurfacing U.S. 90, and is working to have pavement as even as possible where possible. Apologies for the inconvenience.

Second is the traffic cones. Don't let the cones throw you and don't throw the cones! As part of the city's special events traffic plan, the city may limit travel lanes to the outside, right-hand lane and use the left-hand lane for emergency vehicles only. This is only if necessary. You will be notified via text message if this occurs. Westbound, cones will be from I-110 to DeBuys Road, and eastbound from DeBuys Road to White Avenue.

For the Downtown Biloxi Block Party, which takes place Wednesday, Oct. 3, from 8 a.m. to 2 p.m., Cruisers should arrive as early as 6 a.m. to park. To enter your vehicle into the parking and display area, Cruisers should turn north on Caillavet Street, and you'll be directed to downtown parking.
