The City of Biloxi has scheduled an open forum public information meeting to discuss the acquisition of four parcels related to the Coliseum's entry road off of Popp's Ferry Road. These properties were not included in the original EA document, therefore MDOT and FHWA has asked the City to update the EA document to incorporate those properties.

The meeting will be held Tuesday, November 13, 2018 at 6:00 p.m. in the Multi-Purpose Room of the Donal Snyder Sr. Community Center at 2520 Pass Road in Biloxi, Mississippi.

Although there will be no provisions made for formal presentations by individuals or groups, citizens are invited and encouraged to make written and/or recorded statements that will become part of the hearing's permanent record. Individuals may also submit written materials and/or other exhibits for consideration in addition to or in lieu of oral or recorded comments provided at the Public Hearing.

Any individual who needs auxiliary aids or special accommodations to attend the meeting should contact the City of Biloxi Public Works Department at (228) 435-6265 in order to make their needs known in advance of the meeting.
