

Information Systems ~~Progress~~ Report

Information System had no new projects during 2019 due to budgetary constraints/cut backs.

2019 – Miscellaneous

*Purchase of a **NEW** Ford Transit Connect Van.*

Assisted the Police Department deploy Project NOLA cameras at the New pedestrian crosswalk, Biloxi Post Office, Hard Rock Casino, Intersection of Howard avenue and Lameuse street (Peoples Bank).

Assisted Public Affairs with the Installation, and configuration of the BTV equipment.

2020 –

Information System has only one new project for 2020 due to budgetary constraints/cut backs.

- ❖ Installation of a New Network Firewall. This upgrade to our firewall which is a necessity in that it is our first layer of defense against Cyber-attacks and Ransomware. (\$34,375.36)*

We will also assist with installing more NOLA cameras throughout the city as well as the Small Craft Harbor and Point Cadet Marina.
