

COVID RESPONSE – A KEESLER PERSPECTIVE

- Fundamental Truths**
- ✓ Commander Empowerment is Key to Battlefield Agility
 - ✓ Belief in the Mission sets a Clear Purpose
 - ✓ The Goal is Readiness, Not Friendliness
 - ✓ Local Community Support Paves the End Game & Recovery Plan
 - ✓ The War is Won or Lost with Public Affairs and Info Management

Keesler's First Positive Cases

COVID SCENARIO – IMPACT OF EACH POSITIVE CASE

Keesler has been forward leaning in our mitigation measures because we realize one person who tests positive for symptoms results in:

- Utilization of medical resources to back trace the contacts for each positive case
- Each positive case can result in the quarantine or isolation of many other personnel...personnel who may be critical to our training or medical missions
