Code Ann. § 33-15-17, et seq., as amended, and in the public interest of the City of Biloxi, and to safeguard and protect the health, safety, and welfare of the public and for the protection of life and property, I issued an Executive Order on March 31, 2020, entitled “Second Emergency Mayoral Proclamation of Executive Order Dated March 31, 2020, Regarding the Curtailment of Exposure to COVID-19 in the City of Biloxi,” which was adopted by the governing authorities of the City of Biloxi pursuant to Resolution 210-20; and

WHEREAS, the Governor’s Executive Order No. 1466 previously stated and recognized that, with limited restriction, local governments, such as the City of Biloxi, may adopt and issue orders, rules, regulations, and resolutions and take actions “that are more strict” than those set out in Executive Order No. 1466, and, also, that the Supplement to Executive Order No. 1463, which was issued by the Governor on March 26, 2020, stated that no local government in the State “shall adopt any measures that are less restrictive” than the provisions set out therein; and

WHEREAS, the COVID-19 outbreak and the effects of its extreme risk of person-to-person transmission throughout the Mississippi Gulf Coast and nearby region continue to significantly threaten the health, safety, and security of the citizens of the City of Biloxi; and

THEREFORE, pursuant to the authority vested in me by Mississippi Law, including, but not limited to, Miss. Code Ann. § 45-17-1, et seq. and Miss.
