You must meet medical criteria for testing

- If you have flu-like symptoms, body aches, fever, coughing, sneezing, chills, or shortness of breath, please come to be evaluated.
- Please do not exit the vehicle. We will approach to provide assistance.
- Testing is free for those without insurance who meet medical criteria. For patients with insurance, Memorial will seek reimbursement. However, there are no out-of-pocket expenses or co-pays at the time of service.
- Please wear a mask if you own one.
