Annual Report 2020

Despite the Coronavirus pandemic and inclement weather, we hosted the Gulf Coast Billfish Classic Tournament, Biloxi King Master Tournament, and Kingfish Mayhem Tournament which brought over 250 boats to Point Cadet Marina. In addition, cameras were installed at both the Biloxi Small Craft Harbor and Point Cadet Marina. Sherman V. Canaan Back Bay Fishing Dock repairs are in the works and will begin in the upcoming year (2021).

Tropical Storm Cristobal damaged most of our piers including Lighthouse Pier, Coliseum Pier, Oak Street North Pier, Oak Street South Pier, Ice Wharf Pier, and Forest Avenue Pier. We are currently working on repairing the piers. The Commercial Fishing Dock sustained major damage from Hurricane Zeta. All of our shrimp boats were able to return to the dock in temporary slips until repairs are completed in 2021. Also, Point Cadet Marina was severely damaged from Hurricane Zeta. Electrical repairs are in the works, and structural repairs will hopefully begin in 2021.
