

A Greener Way to Travel: FlixBus Restarts in Biloxi

Affordable Travel Prices with Expansive Network and Convenient Connections

New York, NY, June 30, 2021 – [FlixBus](#), America’s fastest-growing and most innovative intercity-bus network, is restarting service in Biloxi starting July 1st. Routes from Biloxi will offer travelers direct connections to Houston, New Orleans, Baton Rouge, Atlanta, Mobile, Lake Charles, and more. Interconnections to other parts of FlixBus’s network will include Dallas, Austin, San Antonio, Miami, and Orlando.

The iconic, bright green buses will give travelers a new car-free, inter-regional option. Ticket prices from Biloxi will start as low as \$4.99 and can be booked via FlixBus’s website or App.

“With all of us excited to go places again this summer, it’s the perfect time for an affordable, convenient travel option for folks in Biloxi.”, said Jeffrey Lane, Head of Business Development for FlixBus. “We’re excited to start with a few of our most popular destinations, and we’ll have more on the way soon.”

Mayor Andrew “FoFo” Gilich says, “This is an outstanding service for our community. Our top notch transit center is conveniently located for those moving in and out of Biloxi. The good thing is, all will be smiling. All aboard.”

Location and Frequency

Initial trips to and from Biloxi will run five days per week with various departures and arrivals throughout the day, with plans to increase through the summer. The stop is located on Dr. Martin Luther King Jr Blvd next to the Biloxi Transit Center. The stop will provide easy connectivity with Coast Transit Authority service throughout the area, as well as numerous attractions within easy walking distance. Passengers can find more information about our Biloxi location, book tickets, and view a full list of destinations at [Flixbus.com](#).

Safety First

The safety and well-being of passengers, drivers, employees, and community is our top priority. We and our bus partners have implemented safety measures such as temperature checks, requiring face coverings at all times, thoroughly sanitizing buses after every trip, and more to ensure a safe journey. More information about the safety guidelines can be found [here](#).

Ride Local

The entire FlixBus network is comprised of and driven by regional bus partners across the country such as Williams Charters and Tours LLC (GA) and A Ambassador Limousine and Transportation

(TX). Many of these partners are family-owned, so riding with FlixBus means you are helping support these local businesses.

With new buses, free WiFi, power outlets at every seat, carbon-neutral ticketing options, extra legroom, and more, riding in a bus has never been more enjoyable. For more information, visit FlixBus [online](#) or download the convenient [FlixBus App](#).

About FlixBus

FlixBus is a mobility provider, offering new alternatives for convenient, affordable, and environmentally friendly travel via the FlixBus and FlixBus brands. Thanks to a unique business model and innovative technology, the startup has quickly established Europe's largest long-distance bus network and launched the first green long-distance trains in 2018 as well as a pilot project for all-electric buses in Germany and France. Since 2013, FlixBus has changed the way over 100 million people have traveled throughout Europe and created thousands of new jobs in the mobility industry. In 2018, FlixBus launched FlixBus USA to bring this new travel alternative to the United States.

From locations throughout Europe and the United States, the FlixBus Team handles technology development, network planning, operations control, marketing & sales, quality management, and product expansion. The bus operations are managed by our partnered regional SMEs. The unique combination of technology and innovative partnerships has positioned FlixBus as a leader in sustainable mobility across Europe and the United States.
