# Hiller Park Disc Golf Course

*biloxi, mississippi*

## DISC GOLF ETIQUETTE:

1. Do not produce any distracting noises or visual distractions while other players are throwing.
2. Do not throw until you are certain that the throw, its flight, or landing will not distract another player.
3. Do not throw until you are certain the flight will not harm any park visitors.
4. Faster groups should be allowed to play through.
5. Place litter in appropriate trash receptacles.
6. Do not break tree limbs or modify vegetation on the course to provide unencumbered flight space.

## DISC GOLF RULES OF PLAY:

1. Tee throws must be completed behind and between tee box markers.
2. After teeing off, the player whose disc is farthest from the basket throws first. The player who has the fewest number of throws goes first on the next hole. If all players have the same number of throws, the order of play remains the same.
3. Fairway throws are thrown from where the disc comes to rest.
4. A disc that comes to rest in the chains or basket constitutes a completed hole.
5. A disc that comes to rest above ground is considered an "unplayable lie." The disc must be thrown from a point directly below the original "lie" with a one stroke penalty.
6. A throw that lands out of bounds (o.b.) as marked on the tee sign must be moved to a point in bounds and thrown with a one stroke penalty.
