

## Thanksgiving Feed the Needy 2021

---

The Gulf Coast Public Safety Feed the Needy Program is a successful collaboration between Public Safety Agencies in Harrison County and generous donors.

This will be the 32<sup>st</sup> year the program has been helping feed those in need.

The program has gone from feeding a few people to providing 1,000 meals for those in need.

The Feed the Needy Program is only possible through donations and volunteers.

We truly appreciate the continued support that has kept this program going for 32 years.

**Meals can be requested by calling the following Police Departments  
Deadline for orders is November 15th 2021 at 9AM**
