Annual Report 2022

We hosted the Gulf Coast Billfish Classic Tournament, Biloxi King Master Tournament, and Kingfish Mayhem Tournament which brought over 150 boats to Point Cadet Marina. Construction began at the Commercial Fishing Dock to repair the damaged docks from Hurricane Zeta. Repairs will be completed prior to shrimp season, so the shrimp fleet will be back in their dock for shrimp sales. Point Cadet Marina upgrades have started. There will be 30 new floating docks added as well as upgraded electricity. Kuhn Street Boat Ramp construction has begun to add additional parking and one more boat ramp.
