The City of Biloxi is proud to offer The Biloxi Lighthouse Park and Pavilion! This new 5.25 acre waterfront property features a ¼ mile nature trail showcasing native foliage and plantings, a children’s playground, and, on the southern end, a 5,000-square-foot outdoor pavilion.

The stately pavilion is designed to complement the Biloxi Visitors Center and to offer panoramic views of the beautiful Mississippi Sound and the Biloxi Lighthouse just across the street. Decorative crosswalks cross Porter Avenue using the same brick outlines as the sidewalks at the Visitors Center connecting the two sites.
