

Special Event Recreational Vehicle Parking

- 1) Recreational Vehicle is defined as a heavy truck with more than two axles, or that exceeds 20,000 pounds of gross vehicle weight, a trailer with more than one axle, or major recreational equipment, including campers, recreational vehicles, motor homes, and travel trailers.
- 2) The owner of any parcel or tract of land that intends to rent or lease space for a Recreational Vehicle during special events that meet the Tier One requirements set forth in Section 12-4-1 et seq in the Code of Ordinances shall be required to obtain a parking permit for such events. Parking shall comply with the following standards:
 - a. Maximum density is one Recreational Vehicle per 750 square feet.
 - b. No part of any Recreational Vehicle shall be within the parcel's setbacks.
 - c. Minimum of eight feet separation of vehicles from each other and from other structures.
- 3) Special Event Recreational Vehicle Parking shall be authorized only upon completing an application containing:
 - a. Signature of titled owner of the lot or parcel, including owner's name, address, and contact information;
 - b. Dimension of lot or parcel;
 - c. Number of spaces requested for the parcel;
 - d. Number of nights -minimum of two consecutive days and maximum of ten consecutive days; and
 - e. Payment of a nonrefundable application fee of \$50.00.
- 4) This authorization for Special Event Recreational Vehicle Parking is only for time periods in which a Tier One Special Event occurs. All applications must be submitted to Biloxi Community Development at least sixty (60) days prior to the beginning of the Special Events.
- 5) Seven (7) days prior to the beginning of the Special Events, applicants shall submit the exact number of spaces offered for rent or lease and pay an additional fee of \$10.00 per space per night.
- 6) These requirements shall not apply to licensed recreational parks, businesses that customarily park campers, trucks, or vehicles on their property as part of their business, or hotels that allow recreational parking as part of their business.
