

Thanksgiving Feed the Needy 2025

The Gulf Coast Public Safety Feed the Needy Program is a long-standing partnership between Public Safety Agencies in Harrison County and generous community donors. This program has grown from serving just a few meals to providing more than 4,000 meals to those in need across our community.

This remarkable effort is made possible through the dedication of volunteers and the generosity of donors. We are truly grateful for the continued support that has sustained the Feed the Needy Program and for the compassion that helps make a difference in the lives of so many.
