Committee reports

The Biloxi Beautification Commission, appointed by the Biloxi City Council, as listed in Chapter 2, Article VI of the Biloxi Code of Ordinances, shall advise and coordinate with all city officials, agencies and civic groups with regard to the development of a comprehensive beautification plan, and shall conduct citywide educational programs and anti-litter and clean-up campaigns in coordination with proper officials, agencies and groups. The commission shall advise and coordinate with the building official with regard to all housing code enforcement.
