

ON-DEMAND PAYMENT OPTIONS

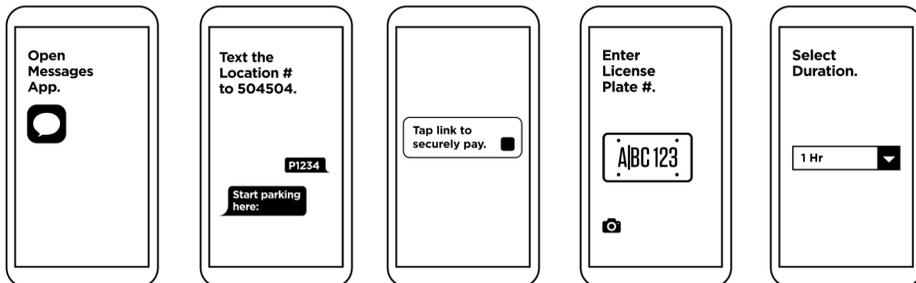

CameraPay®

Parkers can scan the QR code on our signs, click on the generated link, and be seamlessly directed to our secure user-friendly mobile payment portal.

TextPay®

For an alternative option, parkers can simply text the location number to the number indicated on the signage. In response, we provide a link that guides them through our secure user-friendly mobile payment portal.

Premium App

The Premium Parking mobile app offers repeat customers the quickest and most convenient way to locate, pay for, and effortlessly extend their parking from any location. Notably, our app enables users to store multiple vehicles and credit cards within their account, with easy vehicle switching and seamless transactions. The app is compatible with both Android and iOS devices.
