Case No.:	26-046-PC
Names of Owners:	Cletis & Brezena Avery
Name of Applicant:	Patrick Martino
Address of Properties:	0 Magnolia Street
Tax Parcels/Ward:	1410F-06-059.000 & 1410F-06-060.000/Ward 2
Request:	Zoning Map Amendment
Purpose of Request:	To consider an application requesting a Zoning Map Amendment , to authorize a change in zoning district classification for two parcels of land measuring approximately 100' x 95' in total size, from their present zoning district classification of RM-30 Multi-Family to I Industrial , and identified as 0 Magnolia Street.
Size of Property:	100' x 95'
Present Zoning:	RM-30 Multi-Family
Flood Zone:	AE-17
Present Use:	2 Vacant Parcels
Most Nearly Bounded By (streets):	Situated North of Esters Boulevard; South of Division Street; to the East of Reynoir Street; and West and fronting Magnolia Street.
Adverse Influences:	A Zoning Map Amendment should only be authorized when conditions clearly suggest that a change in zoning is warranted, that a change of the character of the neighborhood is evident, coupled with a community need to address this change, and that the change proposed is consistent with uses found upon adjacent or nearby properties.
Positive Influences:	This rezoning, if approved, will be a continuation of the existing Industrial zoning located south of these properties, allowing for

the existing business to expand.

Concerns stated:

The Planning Division Office has not received any letters or other written communications relative to this case, as of August 27, 2026.

Comments/

Recommendations:

Cletis & Brezena Avery (owner) and Patrick Martino (applicant), have submitted an application for a **Zoning Map Amendment**, to authorize a change in zoning district classification for two parcels of land measuring approximately 100' x 95' in total size, from their present zoning district classification of **RM-30 Multi-Family** to **I Industrial**, identified as 0 Magnolia Street (Tax Parcel Nos. 1410F-06-059.000 & 1410F-06-060.000).

The applicant explained that they intend to sell the parcels to the adjacent property owner, who operates an existing roofing company that is already zoned for industrial use. The sale would allow the roofing company to expand its operations.

It should be explained that this request is for Zoning Map Amendment, and as such, discussion points should be focused upon the merits or demerits of this Zoning Change, as follows:

- 1) Consistency (or lack thereof) with the Comprehensive Plan;
- 2) Compatibility with the present zoning and conforming uses of nearby property and with the character of the neighborhood;
- 3) Suitability of the property affected by the amendment for uses permitted by the present district;
- 4) Suitability of the property affected by the amendment for uses permitted by the proposed amendment;
- 5) Change in the character of the neighborhood and established community need for uses permitted by the district applicable to the property at the time of the proposed amendment;
- 6) Availability of utilities and infrastructure sufficient to address the impacts associated with the allowed uses in the proposed district; and
- 7) Mistake in the original zoning.

Options:

-
1. Recommend approval of the requested **Zoning Map Amendment**, to authorize a change in zoning district classification for two parcels of land, from their present zoning district classification of **RM-30 Multi-Family** to **I Industrial**, having determined that compatibility with the present zoning and conforming uses of nearby property and with the character of the neighborhood has been found.
 2. Recommend denial of the requested **Zoning Map Amendment**, to authorize a change in zoning district classification for two parcels of land, from their present zoning district classification of **RM-30 Multi-Family** to **I Industrial**, having determined that no plausible argument for Mistake in Original Zoning, or for Change in the Character of the Neighborhood with an established Community Need, has been offered.

1 MR. TODARO:

2 We're going to call the Planning
3 Commission meeting to order. I'd like to welcome
4 everyone this afternoon.

5 The chairman and co-chairman are both
6 sick today, so I'm Mike Todaro, a member, sitting
7 in, so thank you for being here and being patient.

8 We'll begin with a word of prayer. I'll
9 ask Jerry to lead us in a word of prayer.

10 (Moment of prayer.)

11 MR. TODARO:

12 We'll stand for the Pledge of
13 Allegiance. We'll ask Ronnie Bogard to lead us.

14 (Pledge of Allegiance.)

15 MR. TODARO:

16 So we'll do a roll call for the meeting.

17 We'll ask everyone to please be quiet
18 because we have a court reporter who needs to have
19 quiet so she can record everything. And when
20 there is a murmuring and chatter, she has to
21 miss -- she's not able to properly record, so
22 please. Thank you.

23 So the members present would be
24 Mr. Lechner, August Parker, Debora Magee,
25 Ms. Shante' Shaw, Ronnie Bogard, Mr. Collier,

5 MR. TODARO:

6 Oh, I'm sorry. Harry Joachim.

7 We have Jerry Creel and Caryle Lena here
8 representing the City. And we have our court
9 reporter, who is Melissa Rodolfich, and Felicia
10 Serpas.

11 We have -- let's see -- City
12 Councilperson Marshall, City Councilperson Tisdale
13 and City Councilperson Shoemaker and two
14 representatives from Keesler. We have
15 Ms. Castleberry and Ms. Shelton. So that's all
16 the introductions.

17 For those of you that haven't been to a
18 Planning Commission meeting, we're going to have
19 an open discussion. The public hearing will be
20 the time to speak in favor and a time to speak
21 against. And when the person is speaking, please
22 respect their time and, hopefully, they'll respect
23 your time as well.

24 So with that being said, Jerry, your

 2 MR. TODARO:
 3 Motion by Parker; seconded by
 4 Mr. Bogard.
 5 Any discussion?
 6 DR. DRAWDY:
 7 Mr. Chairman, is that all Keesler wants
 8 to add to it or should we --
 9 MR. TODARO:
 10 Any other comments?
 11 DR. DRAWDY:
 12 I know what she said. I just wanted to
 13 know -- make sure.
 14 I think that we just need to protect
 15 Keesler at all avenues that we look at.
 16 MR. COLLIER:
 17 I think she might have something else to
 18 say.
 19 MR. TODARO:
 20 Sure. The floor is yours.
 21 MS. CASTLEBERRY:
 22 No other comments.
 23 MR. CREEL:
 24 One thing I would recommend to the
 25 motion is that the motion include the fact that

1 attendance.
 2 All right. So the next case, 26-046-PC,
 3 Cletis and Brezina Avery, owner, Patrick Martino,
 4 applicant, a request for a zoning map amendment to
 5 authorize a change in zoning district
 6 classification for two parcels of land measuring
 7 approximately 100 by 95 feet in total size from
 8 their present zoning district classification of
 9 RM-30 to Industrial identified as Zero Magnolia
 10 Street. Tax Parcel Numbers 1410F-06-059.000 and
 11 1410F-06-060.000.
 12 So the representative for this request?
 13 MS. SERPAS:
 14 Video.
 15 MR. TODARO:
 16 Oh, we've got the video.
 17 MS. SERPAS:
 18 (Video played.)
 19 MR. TODARO:
 20 Okay. The representatives with the
 21 request, please identify yourself.
 22 MR. MARTINO:
 23 My name is Patrick Martino. I'm a land
 24 surveyor in Biloxi, and I'm here to represent
 25 Mr. Avery. He lives in Atlanta.

Simpson Burdine & Migues 228.388.3130

1 their height will not go above 79 feet.
 2 MR. PARKER:
 3 So moved.
 4 MS. MAGEE:
 5 Second.
 6 MR. BOGARD:
 7 Second.
 8 MR. TODARO:
 9 That will be a part of Mr. Parker's
 10 motion and seconded by Mr. Bogard to approve the
 11 recommendation that the height not exceed 79 feet.
 12 So any other discussion?
 13 (No response.)
 14 MR. TODARO:
 15 So we will ask for a vote.
 16 All in favor, raise your hand.
 17 MS. LENA:
 18 Ms. Shaw had to leave.
 19 MR. TODARO:
 20 Oh, she had to leave? Okay. So
 21 Ms. Shaw is not here.
 22 So we've got Mr. Lechner, Mr. Parker,
 23 Ms. Magee, Mr. Bogard, Mr. Collier, Mr. Joachim,
 24 Dr. Drawdy, Mr. Carron, Mr. King, Mr. Snow; Mike
 25 Todaro, yes. So that's unanimous with everyone in

Simpson Burdine & Migues 228.388.3130

1 Mr. Avery is the current owner of the
 2 two parcels of land in question. Him and Mr. Gary
 3 Murphy have come to an agreement for Mr. Murphy to
 4 acquire that property. And the reason Mr. Murphy
 5 would like to acquire it and have it rezoned is he
 6 currently owns the roofing company to the south,
 7 and he currently has run out of room to store
 8 roofing materials -- roofing shingles on that
 9 parcel.
 10 Once he acquires -- or if he acquires
 11 this property, it would kind of square up his
 12 property where it wouldn't jog and make that small
 13 jog there that he has in his property. So he --
 14 at this time, he is just simply wanting to extend
 15 the laydown ground -- the laydown area for his
 16 roofing supplies that he currently operates on.
 17 MR. TODARO:
 18 Any questions?
 19 (No response.)
 20 MR. TODARO:
 21 Anyone else to speak in favor of the
 22 application?
 23 (No response.)
 24 MR. TODARO:
 25 Anyone to speak against this

Simpson Burdine & Migues 228.388.3130

application? No one against.

Closing comments?

MR. MARTINO:

That's all the comments that I have.

MR. TODARO:

All right. We'll consider that hearing closed. Mr. Creel.

MR. CREEL:

Okay. If you look at the map that's in your package, you can see the majority of the property where the roofing contract operation is is already zoned Industrial. Basically, they've acquired those two lots that are in that northeast corner, so they're not going any further north with the Industrial zoning than what already exists on the lot that they own on the west side. So, again, this is an extension of the zoning that already exists. The staff has reviewed this, has no objection and would recommend approval.

MR. PARKER:

So moved.

MS. MAGEE:

Second.

MR. TODARO:

So it's moved by Mr. Parker; second by

Simpson Burdine & Migues 228.388.3130

1210J-02.015.000 and 1210J-02-013.000 and 1210J-02-012.000. And these were advertised on 8/21 and 8/28.

And I need to go back to that last hearing. I did not give the dates that it was public -- advertised, so we'll add those into the record. The last case, that was advertised on 8/14 and 8/21 and 8/28.

Thank you. So with that all done, we're going to ask for the presentation for the tree proposal.

MS. SERPAS:

There is several videos. This one is just one of them. I think his site plan is going to show it better.

You want to put yours up?

MR. TODARO:

Is that it, Felicia?

MS. SERPAS:

Yes. You want to look at this one? You want to go to this one?

MR. STEWART:

Yeah, we can use that one.

MS. SERPAS:

I do have pictures too.

Simpson Burdine & Migues 228.388.3130

Ms. Magee that we accept the recommendation of -- the application.

Any questions or any comments?

(No response.)

MR. TODARO:

All those in favor of the motion?

Mr. Lechner, Mr. Parker, Ms. Magee, Mr. Bogard, Mr. Collier, Mr. Joachim, Dr. Drawdy, Mr. Carron, Mr. King, Mr. Snow; and myself, Mike Todaro.

Unanimous as well.

So that brings us -- that concludes our public hearings. Now we'll move into a tree hearing.

This is a Case Number TR-26-003, RW Development, LLC, owner, and John Stewart, applicant, a request to remove 28 protected trees, 25 live oaks and three magnolias, to authorize the construction of a new casino, Black Marlin on seven parcels of the land presently identified as 1816 Beach Boulevard, two unaddressed parcels fronting on Beach Boulevard and 105, 155, 157 and 163 McDonnell Avenue. Tax Parcel Numbers 1210J-02-021.000, 1210J-02-020.000, 1210J-02-018.000, 1210J-02-017.000,

Simpson Burdine & Migues 228.388.3130

MR. STEWART:

Yeah. I can tell you who I am, I guess. Do I need to do this again?

I'm John Stewart and I'm representing, again, the applicant for this project as well.

And I will step back over here so I can point to the drawing real quick.

So we had the tree survey done and you will see the trees are all outlined on here. The ones that -- I'm not sure who did "save," but those are the ones. Thank you. But the count of each tree is on there, as well as the species and then the -- and also which ones are being saved and which ones we're processing to take out.

We did move things around to try to save anything that we could that was not only a live oak, but that was in good condition or a magnolia that was in good condition. So you can see along the edge here, we actually pulled our parking away from the edges. We lost a few parking spaces. And part of this forced us to go to the second level and expand the second level of the garage to be able to get a little more space in between along the edges that -- and preserve some of those trees.

Simpson Burdine & Migues 228.388.3130
